

Motor Vehicle Crime Prevention Authority

Fiscal Year 2022 Request for Applications – Taskforce Grants

May 3, 2021

Notice of Request for Applications

The Motor Vehicle Crime Prevention Authority (MVCPA) authorized the issuance of the Fiscal Years 2022 and 2023 (FY22-23) **Request for Applications (RFA)** at its regularly scheduled meeting held on February 25, 2021. MVCPA is authorized in statute to provide grants to local law enforcement to combat motor vehicle theft, burglary from a motor vehicle and/or fraud-related motor vehicle crime. Eligible applicants may request funds for program operation by submission of an application consistent with the information, including the requirements and conditions stated in this RFA. This RFA is posted in the Texas Register as required by law for at least thirty (30) days prior to the due date for Applications.

All applications submitted will be for FY2022. If awarded an FY2022 grant the MVCPA may provide a FY2023 grant subject to availability of funding and grantees' positive program performance. The MVCPA will use the same FY2022 application and budget values as originally submitted for the extended period. Any ongoing program (scope) changes or budget changes will be submitted by grantees through the grant adjustment process after the creation of the second-year grants.

Due Date

Grant Applications from eligible applicants must be completely submitted on-line at <https://MVCPA.tamu.edu> on or before **5:00 PM, July 9, 2021**. **New applicants must establish an account and perform account setup steps prior to an application being able to be submitted.**

The required Resolution and any optional supporting documents must be scanned and submitted as attachments to the application at <https://MVCPA.tamu.edu> on or before **5:00 PM, July 9, 2021**.

Applicable Authority and Rules

Motor Vehicle Crime Prevention Authority grant programs are governed by the following statutes, rules, standards and guidelines:

- [Texas Transportation Code Chapter 1006](#)
- [Texas Administrative Code \(TAC\): Title 43; Part 3; Chapter 57](#)
- [Texas Grant Management Standards \(TxGMS\) as promulgated by the Texas Comptroller of Public Accounts](#)
- [The current Motor Vehicle Crime Prevention Authority Grant Administrative Manual and subsequent adopted grantee instruction manuals](#)
- This Request for Applications issued on May 3, 2021

Eligible Applicants

Only Texas law enforcement agencies through their city or county are eligible to apply for Motor Vehicle Crime Taskforce Grants.

Application Category

Applicants meeting the eligibility requirements may submit a new grant subject to the priority established by the MVCPA in the FY22 RFA. FY22 is the first year of the new Taskforce grant category.

New Grant –Available only to law enforcement agencies. These are annual grants that require a minimum cash match of 20% for the program described in the application. New applicants shall email MVCPA to GrantsMVCPA@txdmv.gov from an official governmental agency account to request an account and access be established.

Grant Type

Reimbursement – This is a total program budget reimbursement grant. Applicants that are awarded grants will expend local (agency) funds and then will be reimbursed quarterly at the agreed rate for all allowable, reasonable and necessary program costs incurred.

Grant Term

The FY22 grant cycle is a one (1) year funding cycle to begin on September 1, 2021 and end August 31, 2022. Subject to availability of funding and grantees' positive program performance the MVCPA may provide a FY2023 grant using the same on-line application systems and budget values as originally submitted. No obligations or expenses may be incurred or made outside of the grant period(s).

Method of Application

Grant Applications from eligible applicants shall be completely submitted on-line at <https://MVCPA.tamu.edu> on or before 5:00 PM, July 9, 2021. All forms will be completed on-line. The Resolution and all supporting documents must be submitted as attachments.

Resolution Required

A Resolution (Order or Ordinance) by the applicant governing body is required to make application for these funds. The resolution shall provide that the governing body applies for the funds for the purpose provided in statute (*Texas Transportation Code, Chapter 1006*) to return the grant funds in the event of loss or misuse, and designate the officials that the governing body chooses as its agents to make uniform assurances and administer the grant if awarded.

Only the governing body that submits an application needs to adopt and submit a Resolution. Participating jurisdictions in multi-agency taskforces shall agree and commit to the grant through interagency agreements as provided under Texas Local Government Code Chapter 362, Texas Government Code Chapter 791 and TxGMS.

In the event a governing body has delegated the application authority to a city manager, chief of police, sheriff or other official then applicants must submit on-line a copy of the delegation order (documentation) along with the Resolution signed by the official. A sample Resolution is attached as Appendix A.

Program Category

To be eligible for consideration for funding, a taskforce grant application must be designed to support one or more of the following MVCPA program categories (43 TAC §57.14):

Law Enforcement, Detection, and Apprehension - provide financial support to law enforcement agencies for economic motor vehicle theft and fraud-related motor vehicle crime enforcement teams (referred to as taskforces). Taskforces will develop organized methods to combat motor vehicle theft, burglary of a motor vehicle and fraud-related motor vehicle crime through the enforcement of law. This may include recovery of vehicles, clearance of cases, arrest of law violators, and disruption of organized motor vehicle crime. This category includes

development of uniform programs to prevent stolen motor vehicles from entering into Mexico or being removed from Texas through outbound seaports.

Prosecution/Adjudication/Conviction - provide financial support for taskforces to work with prosecutors and judicial agencies to implement programs designed to reduce the incidence of motor vehicle theft, burglary of a motor vehicle and fraud-related motor vehicle crime.

Prevention, Anti-Theft Devices and Automobile Registration - provide financial support for taskforces to work with organizations and communities to reduce the incidence of motor vehicle theft, burglary of a motor vehicle and/or fraud-related motor vehicle crime. The application shall demonstrate how the financial support will assist automobile owners to reduce motor vehicle theft, burglary of a motor vehicle and fraud-related motor vehicle crime.

Reduction of the Sale of Stolen Vehicles or Parts - provide financial support for taskforces to work with businesses, organizations and communities to reduce the sale of stolen parts. Applicants will develop organized methods to combat the sale of stolen vehicles and parts using any of the following: vehicle identification number (VIN) inspection; inspections of motor vehicle part and component distribution enterprises; parts labeling and etching methods; and means to detect fraudulent selling of stolen parts.

Educational Programs and Marketing – provide financial support for taskforces to work with individuals, businesses, organizations and communities to assist automobile owners in preventing motor vehicle theft, burglary of a motor vehicle and fraud-related motor vehicle crime. Develop and provide specialized training or education program(s) to: the public on motor vehicle crime prevention, law enforcement on interdiction and prosecution, and government officials on fraud related motor vehicle crime prevention including title and registration fraud.

Priority Funding

The statute provides that the “The authority shall allocate grant funds primarily based on the number of motor vehicles stolen in, or the motor vehicle burglary or theft rate across, and the number of fraud-related motor vehicle crimes committed in the state rather than based on geographic distribution.” (TTC Section 1006.151, (c). In addition, the following grant features will be given priority consideration in evaluating **new** grant applications:

Continuing Funded Programs in Compliance with MVCPA Grant Conditions– Applications that provide for the continuation of existing programs that currently meet the program and fiscal reporting conditions of the MVCPA. Applicants must provide ongoing need and evidence of their progress toward combatting motor vehicle theft, burglary of a motor vehicle and/or fraud-related motor vehicle crime. The applicant must describe the experience and qualifications of investigators used in the program and how utilization of current grant inventory and resources for continued operation of these specialized investigative grant programs are useful for the state and local governments.

Programs to Combat Organized Economic Crime – Applications for economic motor vehicle theft and fraud-related motor vehicle crime enforcement teams that introduce, increase, or expand efforts to combat organized crime. This includes efforts by criminals that commit or conspire to commit motor vehicle theft, burglary of a motor vehicle and/or fraud-related motor vehicle crime. Grant applications that include specific initiatives to target pattern, organized and economic crime will receive prioritization.

Supporting Documents

Documents that provide evidence of local support or commitment from other officials or agencies for the

application may be submitted following the same instructions as the Resolution. Interagency agreements shall be submitted prior to payments being authorized if an award is made. MVCPA recommends that interagency agreements be completed after award determinations are made to ensure correct amounts are reflected in those agreements. All interagency agreements must meet the conditions and elements required in the TxGMS.

Supplanting Prohibited

Grant funds provided by the Authority under this RFA shall not be used to supplant federal, state or local funds that otherwise would be available for the same purposes (Texas Administrative Code Title 43, §57.9).

Supplanting means the replacement of other funds with MVCPA grant funds. This shall include using existing resources already available to a program activity as cash match.

Cash Match Requirement

All applications for programs must provide at least a twenty (20%) percent cash match (Texas Administrative Code Title 43 §57.36). Multijurisdictional agencies must provide details for the method of cash match in intergovernmental agreements (*Texas Government Code, Chapter 791*). Cash match must meet the requirements provided in TxGMS.

Formulas to calculate cash match:

1. Total MVCPA grant funds requested multiplied by percent of match required = Total Amount of Cash Match Required
2. Total Program Cost minus Total Cash Match Required = Total Authority Grant Request

NICB in Lieu of Cash – Applicants may enter into formal agreements with the National Insurance Crime Bureau (NICB) to work on grant funded activities. The amount of salary and other direct costs related to the work on grant activity provided by the NICB may be counted and reported as in lieu of cash match. Time certifications are required to be made by the employee for these positions every month for part-time and every six months for full-time employees. Applicants must meet the obligation expressed as cash match in the event NICB cannot meet its obligation.

In-Kind Match

Only include in-kind if necessary for the local jurisdiction. In-kind contributions shall not be considered cash match. In-kind match may be used to: 1) reflect the total level of jurisdictions' effort/costs to combat motor vehicle crime; 2) reflect how the grant program fits into jurisdictions' operation; 3) effectively operate a single program with multiple funding streams; and/or 4) contributions from the applicant or third-parties that are for grant funded activity. Costs in detail line items shall not be split between in-kind match and cash match or grant funding. For example, the entire salary of an officer shall be placed in one expense type rather than split between grant/cash match costs and in-kind.

Reporting and Webinar Attendance Requirements

Applicants that are awarded grants will be required to provide:

Quarterly Progress Reports - The MVCPA requires submission of quarterly progress reports to demonstrate progress toward meeting goals and activities provided in the grant application. These include: 1) Monthly progress toward statutorily required performance measures; 2) Monthly progress recorded on the Goals, Strategies and Activities report; and 3) Quarterly Summary and Success section. Grantees designated as Border/Port Security grants are required to complete additional sections required by the Texas Legislature.

Quarterly Financial Reports – Reports of actual expenses are provided to request funds. All expenditures must be in accordance with local policies and procedures and grant requirements. Grantees shall review all expenditures, ensure all applicable regulations are followed, and maintain documentation that is true and complete. All expenses must be supported by appropriate documentation.

Webinar Attendance: One grant representative from the applicant agency will attend a monthly session via teleconference or webinar that includes information on MVCPA grant administration. One law enforcement officer must attend the information sharing and networking sessions on law enforcement issues and other MVCPA issues critical to operating an MVCPA taskforce.
